"Encourage friends and family to create an online wish list," says Niquenya D. Fulbright, an executive life coach in Chicago. Many sites, including www.amazon.com and www.kaboodle.com, offer this service without charge. On Amazon's home page, click on "gifts & gift certificates," then "wish lists." On Kaboodle's home page look for "create a free holiday wish list." Or just enter "online gift lists" in your search engine. Once they're set up, gifts are just a quick click away.
